X-MAC-tor Exhaust Series for Twins

New MAC Reverse Cone Mufflers with a Straight Thru Baffle for the Triumph 650's & 750's. 1 Piece Muffler Construction, Not welded or riveted on end cap. The MAC Reverse Cone Muffler is a True 1 Piece Muffler! With the Straight Thru Baffle this system is designed and intended for the Performance minded.

1 Piece Reverse Cone Mufflers!

MAC X-Pipe for Vertical Twins!
The X PIPE is a Proven Power Maker Creating a True Scavenging & Balanced Exhaust System. Get that 2 into 2 TT-Style with Outstanding Performance!
The X-MAC-tor makes Maximum Power Thru-Out the RPM Range by letting the exhaust gases see and exit both mufflers.

The MAC X-MAC-tor Exhaust System will blow you & your competition away and leave everything else in the dust! We have been manufacturing motorcycle exhaust systems for over 45 years! This is by far one of the best systems we've made!

The Best Looking Triumph Exhaust Ever!

Made In the USA!

Off Road, Competition Use Only Parts

Off Road Competition Use Only Parts may not be used or sold for an automotive vehicle or motorcycle that is used on public highways. They may only be used on automotive vehicles and motorcycles used for competition use exclusively. Off Road Competition Use Only Parts are aftermarket performance parts that replace and interfere with emissions controlled devices and operations, such parts include and are not limited to catalytic converter, headers, oxygen sensors, air induction system etc... and can only be sold and used for automotive vehicles and motorcycles that are used in Off Road Competitions (closed course competitions). All parts are sold with the assumption that the buyer/installer shall use them in accordance with Federal and State laws. MAC Products Inc. will not be responsible for any consequential, incidental, or contingent damages, including labor and other direct costs associated with Off Road Parts being installed and used on On-Road automotive vehicles and/or motorcycles.

On Road Parts

All MAC Products Inc. **On Road Parts** will have a ARB EO # (Executive Order) that will allow you to pass Emissions testing in California. These parts have been evaluated and do not impact emissions and have been granted an EO#, which will allow parts to be sold and installed on a automotive vehicle or motorcycle used on or off a public road or highway. Some Parts that MAC offers are a Direct Replacement Exhaust System and/or Slip-On Muffler(s) and Do Not call for an ARB EO#. These parts are Direct Replacement.

Warranty

MAC Products Part and Accessories are Warranted against Manufacturers Defects and Workmanship for 1 Year after Invoice Date.

MAC Products warranty shall be limited to the Repairing of the Part(s) or Replacing the unit or component that is in question for warranty, thereof, provided it is not Damaged by Impact, Neglect, Modification, Improper Application, Exposure to Corrosives or Deterioration caused by Weather or Normal Wear and Tear of the item in question. No Shop Labor, Storage Fee's, Vehicle down time or any other costs are Included in this Warranty.

If MAC part was Purchased from eBay or the internet and the seller is not a MAC Authorized Dealer you must handle any warranty through the seller! MAC will not cover any warranty that was not ordered from an Authorized Dealer.

All Warranties will need a RA# provided by MAC. Once a Warranty has been reviewed and the RA# has been granted, the item(s) in question for warranty will need to be shipped and prepaid for by the shipper.

Return of Merchandise

Merchandise may not be returned without a Return Authorization Number (RA#) from MAC Products. A copy of the original sales receipt must be enclosed with return. A 15% handling charge will be made on all returned merchandise unless due to our error. Freight must be Pre-Paid on all return merchandise. No Stock Adjustment or Returns are accepted after 90 days of Invoice Date.

Claims - Damage in Transit

Claims for damage in shipment should be made by you to the freight carrier as soon as the damage is discovered. We are not responsible nor in a position to make a claim after the freight company accepts shipment from us.

Claims - Shortage in Order

Claims for shortage in shipment should be made immediately to the freight carrier upon receipt of shipment. If there is an error in shipment please notify MAC Immediately upon receipt of shipment.

Prices & Designs

All prices are **F.O.B. Temecula, California**. Prices and Design, Finish and Up-Grades are subject to change without notice.

MAC Warranty for All Chrome Exhaust Systems

MAC Products Warranties it's Chrome Automotive and Motorcycle Exhaust Systems from Manufacture Defects for 1 year after Purchase, Proof of Purchase is Mandatory on all warranties in question. MAC Products Automotive and Motorcycle Exhaust Systems are not covered under any other warranty, expressed or implied as to merchantability or for a use other than mentioned herein. Chrome/Industrial Plated finishes on MAC Products Automotive and Motorcycle Exhaust Systems is covered under warranty until Installation and use of product, at which time Chrome/Industrial Plated products are considered to have limited Resistance to Rusting, Discoloration and Peeling. **Chrome Exhaust Systems are not warranted against blueing.**

Will "VOID" the Warranty

- Heat Tape, Wrapping of the Exhaust System will Void the Warranty
- Modifications of any kind (grinding, cutting, welding, denting, bending, etc...) to an original MAC Products Part shall Void the Warranty.

Discoloration/Blueing of Chrome Exhaust Systems

Exhaust Discoloration (Blueing) is caused by engine conditions such as Cam Timing, Fuel-to-Air Mixture, Operating Temperature, etc. It is not a result of defective manufacturing, therefore it is not covered by any warranty.
